Bulletin Update

Faithful Navigators Report

Sir Knights and Ladies,

Brothers Sir Knights, as we begin the next fraternal year, I want to thank everyone in our assembly for their dedication and hard work. This year, we recruited 10 new members—a fantastic achievement. Bringing in a few younger members is especially promising for our assembly's future. I urge each of you to commit to recruiting at least one new member this fraternal year; this is essential for sustaining the Assembly in the long run.

We've already held our first planning meeting and selected the council for our dinner meetings. Once I receive confirmation from the Grand Knights, I'll post the list in next month's bulletin. I hope you're staying healthy during this heat dome and the smoke. Some of us took part in the Canada Day parade, which was a great way to show our pride for our country.

As we head into the dog days of summer, make sure to enjoy time with your family and friends so we're recharged for the new fraternal year. The installation of officers will take place in August; I'm waiting for Master Paul Johnson to finalize the date and location. Until next time.

Vivat Jesus

Faithful Comptrollers Report

Sir Knights and Ladies

I hope everyone is enjoying the summer. This fraternal year that just ended was a good one as far as getting new members. Records indicate we got in eight new members. We may lose a couple of members we have been struggling with for membership dues for years but we are still ahead. We still need to recruit on the council side and then try to get them to join the 4th degree. Recruiting is always a work in progress.

On the financial side of things, we have done well for the fraternal year. Both the general and lottery accounts are up a bit from the start of the fraternal year and the Chalice account is up just slightly. We were able to get in an extra fish fry last year which helped boost the Lottery account. That was good to get more money for deceased member donations. Letters will be going out this summer explaining the deceased member donations and why we are part of the Chalice Society for our new members. We are also setting up a committee to explain the benefits of the 4th degree and the Chalice society so when we recruit new members, they will know what we are about. This way they will know why it is called the Patriotic degree.

Let's hope we do well again this fraternal year. I hope everyone can take care and stay well. May God bless us we move forward.
