Faithful Navigators Report:

Sir Knights and Ladies,

As we step into March and embrace the promise of spring, this season offers a wonderful opportunity to pause and reflect on the journey our Assembly has taken over the past year. The dedication, camaraderie, and faith that each of you brings to our brotherhood continue to shape our shared mission and strengthen our bonds. It is through our collective efforts that we have achieved so much, and I am truly grateful for the commitment each of you demonstrates.

At the same time, it is important for us to honor the memory of those who are no longer with us. Let us hold in our prayers all our departed brothers, especially remembering Ron Amlin, who left us on March 6th. Their legacy remains alive in our hearts and in the good works we continue to pursue together.

During this Lenten season, I encourage each of you to seek spiritual renewal, drawing strength from our faith as we strive to grow closer to God. Let us pray for guidance and the courage to embody the virtues of Christian and Catholic gentlemen in all that we do. These weeks of reflection and preparation lead us toward the joy of Easter, a time that calls us to celebrate the promise of new life and hope.

As Easter approaches in the first weekend of April, I extend my heartfelt wishes to you and your families for a truly blessed and joyful Easter celebration. May your homes be filled with love, peace, and the warmth of Family and friendship. May the grace of our Lord's resurrection inspire us all, uplifting our spirits and guiding our actions until we meet again next month.

Vivat Jesus

Faithful Fryer's Report

Dear Brother Knights,

I pray your Lent is off to a blessed start so far. Each year the Church invites us to once again enter a desert period together as the Body of Christ. Like Jesus who was tempted in the desert to prepare Himself for His public ministry, we too are reminded of the spiritual battle that takes place in the life of every Catholic Christian. This is an important time for us to purify our minds and hearts of anything that is unbecoming of a son of God, a Catholic husband, a Catholic father, or a Knight of Columbus. Lent is time for us to humble ourselves before God and identify areas of our life that need attention, and to strive each day to become the men and brothers we are called to be. The prophet Joel reminded us at the Ash Wednesday Mass: "return to me with all your heart" (2:12). For us Knights, this is equally a call for us to align ourselves more closely with our founding principles of charity, unity, fraternity (and patriotism). Each penance, prayer and action we undertake may often go unnoticed, but we know that as we continue to choose the good, our identity is affirmed, our will is strengthened, and our character formed to go out and be Christ to those in our community, our family and our parishes.

May we as brothers knights continue to persevere in our Lenten resolutions as men of faith!

Vivat Jesus!

Fr. Paul Kim, Faithful Friar

Faithful Comptrollers Report:

Sir Knights and Ladies,

With warmer weather coming, I am happy about that. I am also happy about all the new members we recently picked up. But having said that, it does not mean we can stop looking for more new members. Please keep looking to make sure we have a strong assembly moving forward. In a recent meeting we had with other assemblies, we seem to be doing well as there are others that are struggling moving forward. Let's keep forging ahead into the future as a strong assembly.

The finances currently are doing ok with no problems due to dues coming in. There are still quite a few outstanding dues and second notices are being mailed out. Unfortunately, this costs money so we will start calling members who do not respond. If members do not pay, we lose money due to assessments we are required to pay on them, so we don't want that.

IMPORTANT

Our annual fish fry is on Friday March 27th from 4:30 to 6:30 at the Columbus Community hall, 190 Richmond St., Amherstburg. It is important that as many of our members attend this event as possible because it supplies the money for the \$300 donation when a member passes away. Please bring family and friends to this event as well. We are all part of the Chalice Society as long as our dues are current. Our newer members likely do not know what this is so that will have to be addressed moving forward.

We will be in need of volunteers for this event as well. I will likely be able to get the volunteers for the bingo the day before. However we will need 4 members to help with breeding of the fish at 1pm. Then we need some volunteers for the fish fry itself to be there at 4pm. Two for the desk taking orders and collecting money, one runner for the order tickets, three to deliver the meals and with the 50/50 draw we will need one for that (not a hard job). Hopefully we can collect enough money for about three donations.

There will be a desert table as well so we need deserts to be brought in for that. We will be asking for donations for the deserts.

If you are able to help, please email me at pgpeltier@hotmail.com to ensure all positions are filled.

I hope everyone takes care and stays well, may God bless.

PCK, PFN*

Insurance Agent Message

Brothers,

Do you have goals in mind for this year?

Tax season is here! In Canada, taxes must be filed by April 30th, 2026. Whether you're ahead of the game and done filing, or you're putting it off for another couple weeks, this time of year is a good opportunity to consider whether your tax rate or bracket has changed. If so, do you know the implications for your long-term financial strategy?

People can end up in a higher tax bracket than they anticipate when their income fluctuates — for example, if your salary changed, or if you retired and are drawing on different income sources. Paying a higher tax rate may mean less disposable income or less money to leave to your family as you planned.

You can protect yourself against these potential losses and build dependable cash value through permanent life insurance with the Knights of Columbus. Permanent life insurance allows you to build cash value that you can access up to the Adjusted Cost Basis tax-free while you're alive. You can also create an income tax-free inheritance for your loved ones after you pass allowing permanent life insurance to be useful in a range of situations. Of course, we always recommend that you work with a qualified tax advisor or CPA in addition to your KofC Agent. By helping to secure your financial future and legacy with the Knights of Columbus, you're living out the vision of Blessed Michael McGivney, who founded our Order 144 years ago this month. His mission of protecting Catholic families is as important today as it was for the first members who gathered all those years ago. I'd love to talk more if you have any questions. Please come chat with me and we can schedule a time to meet.

Fraternally,

Michael Di Menna
